WHAT I DO FOR CLIENTS

RE — Real estate videos
Listing & off-plan project reels, 3D map location animations, walkthroughs, price & amenity cards, agent branding.

ED — Educational videos
Course lessons, explainers & tutorials with clear graphics, on-screen text, captions and clean audio.

SF — Reels & Shorts
Hook-first edits, word-synced captions, punch-ins, sound design, loop-friendly endings.

YT — YouTube long-form
Storytelling, pacing, B-roll, chapters and thumbnails that lift watch time.

MG — Motion graphics & VFX
Titles, lower thirds, infographics, logo stings, tracking and compositing.

PD — Podcasts & talking heads
Multicam cuts, filler removal, colour matching and highlight clips.
